NEW YORK & HYDERABAD, India -- SQ Global Solutions, one of India's premier Legal Process Outsourcing (LPO) firms, announced today that it is the first LPO to join the Attenex Advantage Review Partner Program. As a member of the Attenex Advantage Review Partner Program, SQ Global will train and certify its review attorneys on use of Attenex(R) Patterns(R) E-Discovery Software, enabling the most cost-effective document review for corporate and law firm clients.

"Becoming an Attenex Advantage Review Partner is a natural extension of our commitment to quality," said Ram Vasudevan, President of SQ Global. "Having certified Attenex Patterns trainers and reviewers on staff complements our ISO 9001 certified Quality Management System and Six Sigma based project management and quality processes, as well as our ISO 27001 certified data security protocols."

"We are extremely pleased to join the Attenex Advantage Review Partner program," said Jay Horowitz, Chief Executive Officer of SQ Global. "This certification further demonstrates our dedication to cost-effective, high quality, secure document review solutions for our clients."

"We are very proud to be associated with one of the most advanced document review software products available," added Andrew Goodman, SQ Global's Executive Director of Litigation Services. "Attenex Patterns certification enhances our ability to provide the highest quality, most efficient document reviews for our clients at a fraction of the cost of similar onshore reviews."

SQ Global has a growing staff of over 150 legal professionals in Hyderabad, India, all of whom are SQ's permanent employees. SQ Global dedicates significant resources to training, and will now be able to train its staff on one of the leading document review platforms in the industry. SQ can now offer to its clients experienced document review teams who are also certified on Attenex Patterns.

"We are excited to welcome SQ Global to the Attenex Advantage Review Partner Program," said Mike Kinnaman, vice president of marketing for Attenex. "The demand for experienced Attenex Patterns reviewers is growing dramatically as more Fortune 500 companies and their law firms standardize their e-discovery processes on our software. By joining the Attenex Advantage Review Partner Program, SQ Global can help provide our clients with cost-effective review solutions."
